

THE HOLY POCHAEV ICON OF THE  
MOTHER OF GOD  
TROPARION & KONTAKION

---

TROPARION, TONE V

**B**efore thy Holy Icon O Sovereign Lady, \* those who pray are  
vouchsafed healing. \* Receive, knowledge of the true Faith, \*  
and repel the assaults of the Hagerenes. \* Wherefore for us, who fall  
down before thee, \* do thou entreat remission of sins. \* Enlighten  
our hearts, with thoughts of piety, \* and offer up supplication before  
thy Son, \*\*\* for the salvation of our souls.

KONTAKION, TONE I

**T**hine icon of Pochaev hath been shown to be a wellspring of  
healing, \* and the confirmation of the Orthodox faith O  
Theotokos. \* Wherefore, from dangers and temptations free us who  
have recourse to it. \* Preserve thy lavra unharmed; establish  
Orthodoxy in the surrounding lands. \* And remit the sins of those  
who pray to thee \*\*\* For whatsoever thou desirest thou canst do.
